COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Sachi A. Hamai, Executive Officer-

At its meeting held March 6, 2007, the Board took the following action:

13

The following statement was entered into the record for Supervisors Yaroslavsky and Molina:

“The Southern California Association of Governments (SCAG) is responsible for developing the Regional Housing Needs Assessment (RHNA) that sets quantified housing construction goals and the fair-share housing allocation for the SCAG region’s 187 cities and 6 counties. The draft RHNA numbers currently require that 57,502 housing units be built in the unincorporated areas of Los Angeles County over the next 8 years. Unfortunately, this figure is based on faulty methodology that overestimates projected household growth in the unincorporated areas and improperly ignores at least two large annexations to the City of Santa Clarita. The RHNA is an important tool in intelligently planning for our future and it is important that it be correctly calculated.”

Therefore, at the suggestion of Supervisors Yaroslavsky and Molina, and on motion of Supervisor Molina, seconded by Supervisor Knabe, unanimously carried (Supervisor Yaroslavsky being absent), the Board took the following actions:

1. Instructed the Director of Planning to submit the County’s Regional Housing Needs Assessment (RHNA) appeal to the Southern California Association of Governments (SCAG) by the March 15, 2007 deadline for filing appeals; and
2. Authorized the Chairman of the Board to sign the “Fourth Cycle RHNA Appeal Request” form and a letter to SCAG outlining the County’s statement of appeal.
